(c) The anti-smuggling drive has been intensified. The preventive and intelligence machinery of the Customs Department remain vigilant to prevent and detect smuggling activities. Close co-ordination is maintained with the concerned Central and State enforcement agencies for taking appropriate remedial measures.

Stringent action is taken both departmentally as well as through prosecutions in a Court of Law against those involved in the smuggling activities. Apart from confiscation of the contraband goods and imposition of personal penalty, preventive detention under the COFEPOSA Act is also resorted to in suitable cases.

Morning and late night telecast

1096. SHRI PRAMOD MAHAJAN: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether it is a fact that Government propose to start morning telecast and late night telecast on Doordarshan shortly; and

(b) if so, what are the details thereof and the date from which these telecasts are likely to commence?

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI AJIT PANJA): (a) and (b) Doordarshan have already started morning transmission with effect from 23.2.87 for a duration of 45 minutes i.e. from 7.30 a.m. to 8.15 a.m. The morning transmission consists of Vande Matram, Morning Raga, Visual Presentation of Physical Exercises, Current Affairs Programmes, Songs and news bulletins in Hindi and English. It is also envisaged to extend transmission time by showing programmes such as feature films, twice a week, around 11.30 p.m. The exact duration of this extension would depend on the length of the feature film so telecast.

Pre-emptive purchase of urban properties

1097. SHRI SURESH PACHOURI: Will the PRIME MINISTER be pleased to state;

(a) whether Government have made pre-emptive purchase of urban properties;

(b) if so, what are the details of the property purchased and what is the amount involved;

(c) what are the particulars of property owners; and

(d) what are the reasons for making pre-emptive purchase by Government?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARI): (a) Yes, Sir.

(b) and (c) A statement is laid on the Table of the House. [*See* Appendix CXLI, Annexure No. 38]

(d) Pre-emptive purchase is being made with the object of inducing the transferors and the transferees to declare the full amount of consideration for transfer.

Bonds issued by public sector

1098. SHRI SATYA PRAKASH MALAVIYA: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that bonds issued by Mahanagar Telephone Nigam Limited and National Thermal Power Corporation had received a poor public response;

(b) if so, whether the nationalised banks subscribed them so heavily; and

(c) if so, what are the reasons thereof?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS AND MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI BRAHM DUTT): (a) No, Sir. The following figures of sanctions and collections may be seen:—

(Rs. in crores)

	Sanctions	Collections from the public	Collections from financial institutions/ Banks
Mahanagar Telephone Nigam Ltd.	150·00	124·00	259·00
National Thermal Power Corporation Ltd.	120·00 (including Rs. 60 crores for financial institution)	193·00	258·00

(b) The public response has not been poor. However, several nationalised Banks have invested substantially in these bonds.

(c) Presumably because the bonds are a good investment.

T.V. transmission stations in Maharashtra

1099. SHRIMATI SUDHA VIJAY JOSHI: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) what is the number of T.V. Transmission stations proposed to be set up in the country in the years 1986-87, 1987-88 and 1988-89;

(b) which sites have been selected in the State of Maharashtra and the probable dates of their commissioning; and

(c) whether there is any delay in establishing a transmission station at Ratnagiri; if so, what are the reasons thereof and by when it is likely to be commissioned?

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI AJIT PANJA): (a) Twenty TV transmitters are expected to be commissioned during 1986-87, of which nine have been already commissioned. About sixty three transmitters are expected to be commissioned during 1987-88. The number of transmitters expected to be commissioned during the remaining period of VII Plan would depend upon supply position of the equipment and annual allocation of Plan resources.

(b) and (c) The Seventh Plan of Doordarshan provides, *inter alia*, for the following:—

(i) Replacement of the existing transmitters at Pune (600W) and Aurangabad (100W) by 10 Kilowatt high power transmitters.

(ii) Establishment of a high power 10 Kilowatt near Ambajogai; eight 100Watt transmitters at Beed, Buldana, Gadhchiroli, Ichalkaranji, Osmanabad, Pusad, Ratnagiri, Yavatmal; and two transposers one each at Aurangabad and Junnar. The transmitter at Ratnagiri is expected to be commissioned by the end of March, 1987 as scheduled and
